Attendance – Since January, 289 different seniors have participated in 7718 events. If you count those over 40, the numbers increase to 307 different people participating in 8176 events.

Grants – We purchased 125 CO detectors with the grant that we received from the Community Foundation of North Central Massachusetts, with help from FOSS. Lt. Tom Kokernak came and did a talk on CO detectors. Nickole Boardman, Outreach Aide, has been tasked with distributing the CO detectors to seniors over 80 who live independently. Our goal is to have 80% handed out by Thanksgiving.
